KS2 Class Acceptable Use Agreement

Agreement Scope

This agreement describes how KS2 learners are expected to behave when accessing technology. Teachers are expected to disseminate the information within to their classes at the beginning of each academic year.

Our Class ICT Agreement

We will:

- Ask before we use a computer, laptop or tablet
- Only go on the websites which we are allowed to
- Tell an adult if something makes us worried, upset or breaks

We will not:

- Use computers, laptops or tablets without an adult with us
- Tell anyone else our passwords or login to anyone else's account
- Share our information online (*our names, our ages, our locations*)
- Go on chat or social media sites (*such as Facebook, Instagram and TikTok*)
- Use mean or rude language on Teams or emails
- Open or search for any inappropriate websites

We know that:

- My headteacher can see the things we do on the computers, laptops and tablets
- These rules are the same if we are on Teams at home
- If we break these rules, something will happen

Acceptance

Our class understand this agreement and will use the technology in our school safely and respectfully.
