The Fierté Multi-Academy Trust

Freedom of Information Policy

At the heart of our Trust are both the UNICEF Rights Respecting values and articles and Learning Behaviours. Through these, we aim to put children's rights at the heart of our schools. We work together to embed children's rights in our ethos and culture; to improve well-being and develop every child's talents and abilities to their full potential. We aspire to give children a sense of pride and achievement in all that they undertake.

Introduction

The Freedom of Information Act 2000 makes it a legal requirement for any public authority including academies to produce a publication scheme and guidance for any information requests received. This Act gives individuals the legal rights to access information held by The Fierté Multi Academy Trust.

The Fierté Multi Academy Trust has a duty to provide advice and guidance to anyone who requests information. This policy outlines information from the FOI Act 2000 with details of procedures the Trust has to follow should a request for information be made.

Legal Framework

This framework has due regard to the following legislation:

- The General Data Protection Regulations
- The Data Protection Act 2018
- The Freedom of Information Act 2000
- The Freedom of Information and Data Protection (appropriate limit and fees) Regulations 2004

This policy should be viewed in conjunction with the Trust Data Protection Policy.

Accepting Requests for Information

Fierté Multi Academy Trust will only accept a request for information which meets all of the following criteria:

- It is in writing
- It states the name of the applicant and an address for correspondence
- It describes what information is requested

A request made in writing should meet the following requirements:

- It is transmitted by electronic means
- It is received in a legible form
- It can be used for subsequent reference

Fierté Multi Academy Trust will publish details of its procedures for dealing with requests on its websites, which will include:

- A named individual to assist applicant with their requests
- A contact address and email
- A telephone number

Requests should be made to:

Mrs. L. Webster

Data Protection Officer

Respective Academy address

E.mail: DPO@fierte.org

The Trust will keep a record of all requests received for monitoring purposes, noting:

- The date the request was received
- The date the request was acknowledged
- Name and contact details of who made the request
- The date the request was fulfilled or refused
- What information was requested
- What information was given to the request
- The reason for any exemption being applied
- The reason if failing to meet the 20-day deadline.

Exemptions

Not all information the Trust holds that is covered by the FOI Act will be disclosed in response to a request. For example, information may be withheld under one of the following exemptions available under the Act:

- Information accessible by other means (e.g. website or prospectus)
- Personal Information – requests for information about an individual will be dealt with in accordance with the Data Protection Act 2018 (unless the enquirer wishes to know what information is held about someone else – this information will generally not be disclosed)
- Environmental Information (e.g. regarding playing fields, car parking, phone masts etc.)
- Information provided in confidence to the Trust
- Information the release of which would prejudice or be likely to prejudice the Trust's or a third party's commercial interests

A full list of exemptions can be found on the Information Commissioner's website: <https://ico.org.uk>.

Charges

The purpose of this scheme is to make the maximum amount of information readily available at minimum inconvenience and cost to the public. Charges made by the Trust for routinely published material will be justified and transparent and kept to a minimum. The maximum charge limit is currently £450, which is calculated at a flat rate of £25 per hour as set by government statute.

Any material that is published or can be accessed on Trust or Academy websites will be provided free of charge.

In the case of information not obtainable through the website(s), the Trust reserves the right to charge for actual disbursements incurred such as:

- photocopying – at 10p per sheet of A4 paper
- postage and packaging – at the actual cost to the Trust
- any other costs directly incurred as a result of the information request – at the actual cost to the Trust

Charges may also be made for information provided under this scheme where they are legally authorised, they are in all the circumstances justified, including the general principles of the right of access to

information held by public authorities, and are in accordance with a published schedule or schedules of fees which is readily available to the public.

If a charge is to be made, confirmation of the payment due will be given before the information is provided. Payment may be requested prior to provision of the information.
